This is a waiver and release so your son can work in our wood working shop or our welding shop.

The youngest cadre does not work in either, they get their hand tools badge in the 2nd year.

Only the oldest cadre is in the welding shop.

I recognize that the activity for which I am registering my child (participant) involves a risk of injury as does as does any woodworking or mechanic or welding activity. I waive and release any and all rights and claims for injury or damages resulting from this event and agree to hold harmless the sponsors of this event for any and all injuries suffered by my child while participating in this activity unless such injury is caused by the gross negligence of the sponsoring agencies.
