Christmas 2025

COMING HOME FOR CHRISTMAS

Well, it's been a long road, one over 35 years in the making. From the basement of the Ukrainian Canadian Club to the shelter on 1st Avenue, to the location we settled into for over twenty years at 4th Street. Finally, **we're coming to our permanent home at 711 2nd Avenue North, and there is no way that we could have made it here without your incredible generosity.**

You, our community, brought us home this Christmas. Mere words cannot express the depths of our gratitude. You have shown up for us over and over, you have given of your time, of your finances, and of your prayers. We now have a permanent space in which we can serve **the lost and hurting, the vulnerable, the ones who feel as though no one sees them. You see them.**

In this Christmas season, this time of hope, **you've given us the biggest gift we could have ever asked for. You gave us a home.** With that gift, we can now ensure the legacy of giving that same gift to others. Every year, **with the healing power of the Gospel, we'll see lives changed and families restored.** You can continue to watch your gifts bring others home for Christmas for many years to come.

**A VERY MERRY CHRISTMAS, FROM OUR FAMILY AT
STREETS ALIVE MISSION, TO YOU AND YOURS.**

NEW LIFE: DANIELLE'S STORY

March 13, 2023, changed Danielle's life forever. She had tried recovery programs before, yet still felt empty. **That day, she experienced a horrific overdose.** After having no pulse for 10 minutes, Danielle was resuscitated and spent a month on and off life support. **By every medical expectation, she should not have survived — but God kept her alive.**

In February 2024, ready to break free from addiction, Danielle entered our Genesis Women's Life Recovery Program. She moved into the Segue home, began to unpack years of buried trauma, and encountered Jesus. **For the first time, she understood the unconditional, unwavering love of Christ — and she finally felt at home.**

Danielle completed the program and has been transformed. **Now almost two years sober,** she radiates joy and hope. Today, **she serves on Streets Alive Mission's outreach team,** meeting people where they are and offering a new path forward.

Although she was physically saved from death in the hospital, **Danielle wants everyone to know that God's miraculous gift of life is available to all.**

Donors give *through* us, not *to* us. Thank you for bringing hope!
